

Cyberian LT SR

The Cyberian LT buckles from ITW Nexus offer 10% less material while keeping comparable strength with the iconic Cyberian II buckle. Both the outboard triggers for enhanced use in wintry conditions and the lifter tab of the Cyberian LT have been redesigned to offer a light-weight streamlined aesthetic while maintaining the benefits of a “snowplow” debris clearing tip and anti-pinch feature.

	Material	Colors	A	B	C	D
Cyberian LT SR 16 (shown w/Latch 602-1000)						
602-0000	A	B	15.1	27.8	52.3	12.5
Cyberian LT SR 20 (shown w/Latch 602-1100)						
602-0100	A	B	20.1	31.1	55.6	12.8
