

Onyx SR Loop

The Onyx Series combines an asymmetric, faceted design with a unique exposed center bar for integrated color combinations. Optimized strength to weight ratio creates a lightweight and minimal design, while featuring easy release with FullFlex™ Latching. The Loop allows for either fixed web ends for no adjustment or pass-through for free floating pulley action.

Material Color A B C D

Onyx SR 16 Loop (shown w/Latch 406-0010)

406-0000	A	B	16.6	22.9	37.9	10.0
----------	---	---	------	------	------	------

Onyx SR 20 Loop (shown w/Latch 406-0110)

406-0100	A	B	20.2	26.9	41.4	10.0
----------	---	---	------	------	------	------

Onyx SR 25 Loop (shown w/Latch 406-0210)

406-0200	A	B	25.8	34.5	47.2	11.4
----------	---	---	------	------	------	------

Onyx SR 40 Loop (shown w/Latch 406-0310)

406-0300	A	B	38.9	48.4	55.9	12.7
