

# Jet SR LatchCam

The Jet LatchCam has an added locking cam door for small and/or angular radii with a locking feature to resist slippage. The LatchCam is laced as an SR Latch; upon lacing, the cam door is positioned down over the webbing for added security.

	Material	Color	A	B	C	D
Jet SR 20 LatchCam (shown w/Body 720-0000)						
720-1700	A	B	20.4	27.7	59.3	12.6
